2010/11 YEAR END REPORTING REQUIREMENTS

The financial year-end is approaching. According to the Public Finance Management Act of 1999 (PFMA) Section 40 (1) (c), the Accounting Officer for a department –

“(c) must submit the financial statements within two months after the end of the financial year to –

- (i) the Auditor-General for auditing
- (ii) the relevant treasury to enable that treasury to prepare consolidated financial statements in terms of section 8 and 19.”

The Provincial Treasury would thus like to advice departments to ensure that the following issues are attended to:

AUDIT PROCESS

Departments should ensure that the Audit Steering Committees are established at the beginning of the audit process. The terms of reference and the constitution of the Audit Steering Committee are outlined in Annexure A.

PREPARATION OF FINANCIAL STATEMENTS

- A template to prepare the annual financial statements has been issued to the departments and is also available on the website <http://oag.treasury.gov.za>. This will assist in ensuring that the financial statements are properly and timely compiled.
- All suspense accounts should be cleared to zero by 31 March 2011 to enable departments to provide complete financial information on expenditure and revenue.
- Stock counts and reconciliation of assets between BAS and LOGIS systems must be performed.
- The expenditure management report should be scrutinized to make sure that all expenditure is properly allocated to the budget appropriated.
- All the supporting documentation for all the transactions, and other important records, should be made available for audit purposes.

Attached is a checklist for other issues to be made available for audit purposes.
(Annexure B)

A work plan is also attached as **Annexure C** to provide guidance of when to complete the annual financial statements.

FIRST SUBMISSION OF ANNUAL REPORT

The Auditor-General will be engaging in performance audit reviews for the financial year ended 31 March 2011. Departments are therefore required to make first submission of the Annual Report to the Office of the Auditor-General by 31 May 2011 to enable the auditors to perform the necessary audit procedures before 31 July 2011. The report should include, Report of the Accounting Officer, vision and mission, legislative mandate, programme performance, human resource oversight report and financial statements. The audit committee report and MEC's foreword will only be included when the audit processes are finalised.

SUBMISSION OF ANNUAL REPORT

The PFMA sec 40(1)(d) requires that the Accounting Officer for a department to submit within five months of the end of a financial year to the relevant treasury -

- (i) An annual report on the activities of the department during that financial year;
- (ii) the financial statements for that financial year after those statements have been audited, and
- (iii) the Auditor-General's report on those statements.

TABLING OF ANNUAL REPORT

- 1) The executive authority responsible for a department must table in the provincial legislature-
 - (a) the annual report, financial statements and audit report on those statements, within one month after the **Accounting Officer** of the department receive the audit report.

Adherence to legislation leads to good governance.
