TRANSVERSAL TERM CONTRACTING FOR THE MPUMALANGA PROVINCIAL ADMINISTRATION

The above subject matter bears reference.

In line with the National Treasury Regulation 16A6.5, the Provincial Treasury has identified the need to facilitate transversal term contracts for the Provincial Government. The purpose of this initiative is to ensure that there is benefit from economies of scale, corporate advantages, economic empowerment and job creation for the people of the Province as well as resulting in lower unit costs of commodities.

In order to achieve the above objectives the Provincial Treasury will work closely with all Departments as well where necessary bring on board the National Treasury's contract management unit.

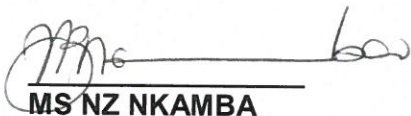

Inter-departmental specification, evaluation and bid adjudication committees will be constituted to manage the entire process with the leadership of the Provincial Treasury. The following commodities/services have been identified to be the first focus for this purpose;

1. Stationery excluding medical stationery
2. Cleaning material
3. Printing (letterheads, reports and others)
4. Toiletries (toilet papers, sanitary towels and others)
5. Office furniture
6. Event management

The Provincial Treasury is mindful of the fact that departments already have existing contracts and advises that as and when they expire all Departments will be subjected to contracts arranged by the Provincial Treasury.

Further instructions in this regard will be issued and consultative meetings will be held with Chief Financial Officers and Heads of Supply Chain Management Units.

Regards,

MS NZ NKAMBA
