PROVINCIAL TREASURY CIRCULAR 7 OF 2009

To: All Accounting Officers

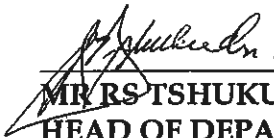

BUDGET BLOCKING

The purpose of this circular is to outline the importance of budget blocking to all Mpumalanga Provincial Departments.

The budget blocking is a system designed tool to assist Departments in monitoring their expenditure and it further ensures that expenditure incurred where there is no budget is prevented. In circumstances where a Department is compelled by one reason or other to spend where there is no budget, the budget blocking will ensure that such expenditure is authorised by a second over expenditure authorizer delegated and accounted for in the budget over expenditure report.

Departments are advised to take advantage of this tool by implementing it to prevent spending where there is no budget.

Regards

MR RS TSHUKUDU
